Teague Update

Issue 44

March 2012

Miracle Month

We praise the Lord for all that He is doing for the work in Ivory Coast. During the month of January we were amazed by what God did. We were presented with a check for \$35,000 by Lighthouse Assembly of God in Snyder, Texas. This small church raised the funds over a year's time. One little boy had his family donate to missions rather than buy him Christmas gifts. He told me that he would only play with the toys for a few days, but building a church in Africa will help people forever. Abundant Life Assembly of God in Canadian, Texas gave an offering to cover the purchase of equipment for the establishment of a tabernacle fabrication center in Ivory. We also received offerings from Highway Tabernacle in Youngstown, Ohio, First Assembly of God and San Jacinto Assembly of God in Amarillo, Texas. The total received in offerings for tabernacles was \$61,500. We praise God for His provision.

New Classroom at Bible School

The construction of a new classroom with tables and chairs for 100 students was completed at the Katadji Bible School. This greatly increases the capacity of the school. The next project is to finish the second floor of the library and administration building. We also have plans for the construction of two new dorms and a clinic. We praise God for this center for the training of pastors, evangelists, and missionaries.

Itineration Update

Monthly Support:
We are in need of an additional \$520 in monthly support. Pray that God will continue to raise up financial partners for the mission.

Cash Budget:
We have raised 94% of the minimum cash budget. We are in need of \$5,400 to reach our goal.

Projects:
We are praying for commitments for 300 tabernacle kits. Each kit costs \$5,000. We have raised enough funds for the first shipment. Praise the Lord.

Teams:
We are praying for mission teams to commit to come to Ivory Coast over the four year period of 2012-1016. There

are currently 6 churches that have made commitments.

Prayer Requests:
For continued safety on the road as we travel to churches. For health. We are in need of physical strength. For our 200 Bible school students that will be going out in July to plant new churches.
